Hi Deidre – You should receive an email indicating you have access to the OneDrive site. Please let me know if you have any issues accessing it.

Cheers!

Hi Mary Beth. Do you think you could give Deidre May access to the OneDrive. Information and mapping changes periodically and it would be good if she had direct access to the source.

The approximate area is between the river, Cuyahoga Street, Peck Rd and the large wetland just south of the signal tree lot. I have not been in the last few meetings, so Mike will know the most current mapping.

Subject: Chuckery Area

Good Morning, Gentlemen.

I know there was an updated map sent out with where the spoil areas at Chuckery will be for the dam removal. For the life of me, I can't find that email (or remember who sent it out). If it's a quick find could someone send it to me again, or give me direction on who I can reach out to?

Sincerely,

Deidre A. May
